

GREAT GRL™ OPTIONS STILL AVAILABLE!

Betula papyrifera 'Oenci' Renaissance Oasis®

Zone (3) Height 50' Spread 30'

Attractive white bark and vivid yellow fall foliage. Grows quickly, tolerating a fairly wide range of soil types. Improved drought tolerance resistance to borer, and pH resistance compared to other white birches.

Liriodendron tulipifera TULIP POPLAR

Zone (5-9) Height 70' Spread 45'

Large, stately shade tree, "cat paw" leaves. Brilliant golden-yellow fall color. Large and lovely bloom, amazing floral display.

Magnolia stellata 'Royal Star'

Zone (4-9) Height 15' Spread 20'

This deciduous early bloomer starts spring off right. Large white, fragrant, double flowers appear even before the leaves. Great heat and cold tolerance for a magnolia. Available in GRL™ Shrub Form

Quercus bicolor SWAMP WHITE OAK

Zone (4-8) Height 50'-60' Spread 50'

Broad, open form with yellow to red fall color. Likes wet soil and at the same time is drought tolerant. Grows in alkaline soil. Very popular in today's market.

Taxodium distichum 'Mickelson' Shawnee Brave™

Zone (4-11) Height 50' Spread 18' Royalty: \$.85

Narrower and more dense growth than species, fall color bronze orange, excellent as a single specimen tree or group planting.

Ulmus parvifolia x *U. carpinifolia* 'Frontier'

Zone (4-10) Height 30' Spread 20'

Hardy, fast growing, moderate sized tree. Great to plant under power lines and in smaller landscapes. Resistant to DED, beetles and drought. Red-purple fall color; most vibrant fall color of all our Elm offerings.
